MEMORANDUM TO: Colonel White

25X1A6a

SUBJECT : [REDACTED] Table of Organization

25X1A9a

1. Mr. [REDACTED] has not made the recommendation as requested. However, it appears by inference that he has talked with Mr. [REDACTED] regarding the loss of eight ceiling positions by the DD/P.

2. As indicated in Mr. [REDACTED]'s memorandum of 10 November 54, 25X1A9a he feels that the eight positions should be allowed to remain with DD/P. I think the whole picture would be much more clear if these positions were withdrawn from DD/P and returned to the Director's Reserve. It would not disturb the position of DD/P inasmuch as their on-duty strength still remains considerably below their authorized ceiling. When the on-duty strength reaches the point where it will equal or exceed the authorized ceiling, the DD/P would then presumably have a valid basis for requesting an increase on the basis of the 13 positions which have been "surfaced" since the initial allocation of the ceiling.

3. Attached is a memorandum, which would recover eight positions for the Director's Reserve from the DD/P, which has been prepared for your signature if you concur.
